

New Membership Categories

In addition, BECOR is introducing two new more affordable membership categories.

Senior Membership - \$50:

To acknowledge and retain our most experienced members, who may be retired and might otherwise decide to forgo BECOR membership, the new Senior Membership is for individuals who are 65 or older.

Educational Institution Membership - \$300:

This membership category is for any post-secondary institution, and this membership category will operate very similar to a Corporate membership, whereby professors and other institution employees continue to enjoy member rates for BECOR events, but with membership costing less than half of a Corporate membership. (Existing educational institutions with a Corporate membership will automatically have their membership converted to Educational Institution.)

In addition, Educational Institution members will be entitled to BECOR's provisions to support the institution's students, through free student attendance to BECOR events, and other initiatives.

Due to the creation of this new membership category, Student Membership is discontinued.

Sessions & Related Fees

With the costs of in-person sessions increasing substantially over the past two years, fees for in-person sessions need to increase to cover our increased costs. As such, as of September 1, 2024, session fees for our two most common in-person events will be as follows:

Two-Hour Lunch & Learn: \$60 for members & \$95 for non-members (up from \$50 & \$75)

Half-Day Session: \$80 for members & \$115 for non-members (previously variable)
